Fabriqué en Chine. Conçu en Californie.

WARNING: This product contains chemical(s) known to the State of California to cause cancer, birth defects, or other reproductive harm.

Why does Accessory Power provide a California Proposition 65 warning?

A Proposition 65 warning means one of two things: (1) the business has evaluated the exposure and has concluded that it exceeds the "no significant risk level"; or (2) the business has chosen to provide a warning simply based on its knowledge about the presence of a listed chemical without attempting to evaluate the exposure. Accessory Power has chosen to provide a warning based on its knowledge about the presence of one or more listed chemicals without attempting to evaluate the level of exposure. With this product, the exposure may be negligible or well within the "no significant risk" range; however, out of an abundance of caution, Accessory Power has elected to provide the consumer a warning regarding Proposition 65.
