**Thank you** for purchasing the **USA Gear S7 Pro** electronics travel case. With durable, thick padding, heavy-duty nylon construction, a weather-resistant wrapped bottom, metal shoulder strap hardware and multiple accessory compartments, this bag is fully equipped to handle all of your digital gear. Customize the internal compartment simply by arranging the two FlexWall dividers to fit your device. The S7 Pro is fully equipped and ready to handle all of your carrying case needs!

### What's in the Bag?

- a - S7 Pro
- b - Shoulder strap
- c - FlexWall dividers

### Configurations for the FlexWall

## Operating Instructions

### Customizing the FlexWall

The FlexWall is an adjustable and removable system that can be reconfigured to store your gear in secure, customized partitions.

- Simply pull to detach the FlexWall from the interior compartment of the bag.
- Then, bend it to fit your needs and place the Velcro ends against the internal compartment walls. Examples of several configurations are shown in this manual.

### Cautions

- Please only use this product in the manner described in this manual
- Please keep out of the reach of small children

### Product Specifications

Weight: 1.5 lbs

Internal dimensions: 11.5" x 4.0" x 8.5"

External dimensions: 12.0" x 4.8" x 9.3"

*Please Always Recycle*
